

HOW TO MEASURE: (For best results, measure over your undergarments)

1 CHEST:

Measure just under arms and across shoulder blades holding the tape firm and level. If your chest falls between sizes, order the next size up.

2 OUT SLEEVE LENGTH OVER SHOULDER FINISHED:

Measure from the center of the spine at the base of the neck, around the shoulder, over the elbow and down to the wrist.

3 INSEAM FINISHED:

Measure pants that fit you well. Lay them flat, with the front and back creased smooth. Measure along the inseam from crotch to bottom of leg hem. Or, if you don't have pants that fit comfortably, measure from your crotch to your desired pant length.
